Non-Residential Rebates*

Product	Efficiency Level	Rebate Amount
Domestic Hot Water		
Small Water Heater	Energy Factor ≥ 0.62	$50/unit
Large Water Heater	Thermal Efficiency ≥ 88% with an Input Capacity ≥ 75 MBTUH	$150/unit
Water Boiler	Thermal Efficiency ≥ 84% and an Input Capacity between 75 - 2,500 MBTUH	$2/MBTUH
Space Heating Furnace		
High Efficiency Furnace	ENERGY STAR rated with an AFUE ≥ 92% and an Input Capacity between 60-140 MBTUH	$200/unit
High Efficiency Furnace	ENERGY STAR rated with an AFUE ≥ 95% and an Input Capacity between 60-140 MBTUH	$250/unit
Water Boiler	Thermal Efficiency ≥ 85% and an Input Capacity between 300 - 3,000 MBTUH	$2/MBTUH
Water Boiler	Thermal Efficiency ≥ 90% and an Input Capacity between 300 - 3,000 MBTUH	$4/MBTUH
Boiler Controls		
Auto-Reset Control	Must be an automatic control and result in Output Temperature Range ≥ 10˚F; boiler Input Capacity ≥ 100 MBTUH	$250/unit
Steam Traps		
New Steam Traps	Must replace existing, failed steam traps, one for one	$50/steam trap
Boiler Tune-up		
Boiler Tune-up	Per specific Program protocols	$350
Hot Pipe Insulation		
1” Thickness - Steam	<15 psig, 200 - 250˚F	$3/linear foot
2” Thickness - Steam	<15 psig, 200 - 250˚F	$4/linear foot
1” Thickness - Hot Water	120 - 200˚F	$2/linear foot
2” Thickness - Hot Water	120 - 200˚F	$3/linear foot
Roof/Ceiling Insulation		
Roof/Ceiling Insulation	Pre-existing level must be ≤ R-11 and final must be ≥ R-30	$0.15/square foot
Commercial Kitchen		
Low-Flow Sprayer	Pre-Rinse Sprayer Flowrate ≤ 1.25 gpm at 60 psi	$25/unit
Steamer	ENERGY STAR rated with a Cooking Efficiency ≥ 38%	$750/unit
Convection Oven	ENERGY STAR rated with a Cooking Efficiency ≥ 40%	$500/unit
Small Conveyor Oven (conveyor size ≤ 25”)	Minimum Cooking Efficiency = 42%; Idle Energy Consumption Rate ≤ 29,000 Btu/hr	$500/deck
Large Conveyor Oven (conveyor size > 25”)	Minimum Cooking Efficiency = 42%; Idle Energy Consumption Rate ≤ 57,000 Btu/hr	$750/deck
Vat Fryer	ENERGY STAR rated with a Cooking Efficiency ≥ 50%	$500/vat
Pool and Spa		
Commercial Pool and Spa Covers	New material installed on commercial-use outdoor and heated pools or spas, must have an R-value ≥ 2	$0.75/square foot
Commercial Pool and Spa Heater	New heater must replace an existing gas-fired heater and have a Thermal Efficiency ≥ 84% and an Input Capacity ≤ 2,500	$2/MBTUH

*Additionally, rebates may be available for eligible custom projects. Please contact the Program for more information.

CHICAGOLAND
NATURAL GAS SAVINGS PROGRAM
REDUCE TODAY. SAVE TOMORROW.

Program Eligibility

The Program is limited to current commercial customers of Peoples Gas or North Shore Gas. Customers must be on Service Classification No. 2 (General Service).

Landlord Eligibility

Landlords are eligible for Program rebates. If you are a landlord and the gas account(s) is in your name, please complete and submit the rebate application. If you are applying for a rebate for a residence you own, but the gas account number is in your tenant's name, you must supply the following information:

- Installation address
- Gas account holder's name
- Gas account holder's account number
- Current tax bill or mortgage statement providing proof of ownership

Program Requirements

Comprehensive information on Program requirements can be found on the Chicagoland Non-Residential Customer Rebate Application – please visit: **www.chicagolandrebates.com**.

Installation Requirements

Comprehensive information on installation requirements can be found on the Chicagoland Non-Residential Customer Rebate Application – please visit: **www.chicagolandrebates.com**.
Insulation measures can be either installed by a professional contractor or self-installed.
All other products, including water heaters, furnaces, boilers, commercial kitchen equipment, etc., must be installed by a professional contractor to manufacturer specifications and code.

Purchase and Application Submission Information

Products need to be purchased and installed between April 5, 2010 and May 31, 2011.
The offer is valid from April 5, 2010 to May 31, 2011, or until funds are depleted, whichever comes first.
All applications must be postmarked no later than 60 days after the purchase, or by June 30, 2011, whichever comes first.

Instant Discount Option

Customers can receive their Chicagoland Natural Gas Program rebate immediately as an instant discount when they purchase any Program-qualifying product from a participating contractor.

- No need to hassle with submitting rebate paperwork!
- No waiting to get a rebate!
- Less up-front money!

The Instant Discount is not mandatory.
